ABOUT THE SCHOOL

Westview Secondary School tries to instill these four principles in each of its students: Respect, Open Mindedness, Achievement and Responsibility. By teaching these principles to its students, the school has been able to thrive. Westview Secondary has an extremely committed staff and all students are treated as part of a community. The school has a wide variety of extracurricular activities and also has the largest number of international students in the district. For students looking for a good balance of academics and extracurriculars, Westview Secondary School is a great option.

FACILITIES

The school has a state-of-the-art theatre, performance arts facilities and arts studio featuring ceramic and pottery rooms. Classes are driven by the latest online resources and have three fully-supported advanced purpose computer labs. There is also a first-class gymnasium, weight training and fitness facilities.
