

**SCHOOL PROFILE**

With a clear commitment to making sure every student's educational needs are met, Denver Public Schools is comprised of 13 high schools. Now the fastest growing school district in Colorado, this district is devoted to becoming a national leader. In the last decade, the number of students enrolled in AP courses has doubled, due to the efforts of the district. Students have access to many clubs, sports teams, and community activities. Understanding the importance of family and community involvement, the school district urges students to embrace learning outside the classroom. Denver Public Schools is guaranteed to provide a great education!

**Community Information** - Located in the Rocky Mountain region and dubbed, the "Mile High City", Denver, CO is a metropolitan city with a mild climate. Containing over 200 parks, ranging from small to parks that sit on thousands of acres, there is much to do in the outdoors. With golf courses, swimming pools, trails, lakes and rivers, there is an endless list of fun to be had! For those looking to be intellectually stimulated, there are several museums, such as the Denver Museum of Nature and Science, and the Denver Public Libraries. Other major attractions include the Denver Zoo and the Denver Botanic Gardens. Known for its culture, there is an opera, symphony, art gallery, and concert hall, all based locally. With many different shops and restaurants downtown, one can spend hours wandering and not be bored. Come explore Denver and see what this mile high city has to offer you!
