

ABOUT THE DISTRICT

Now the fastest growing school district in Colorado, this district is devoted to becoming a national leader. In the last decade, the number of students enrolled in AP courses has doubled due to the efforts of the district. Students have access to many clubs, sports teams, and community activities. Understanding the importance of family and community involvement, the school district urges students to embrace learning outside the classroom.

DENVER PUBLIC SCHOOLS

Denver, Colorado

FACILITIES

Denver Public Schools have great academic, arts, and athletic facilities. The fact that the district is located in the heart of Colorado's largest city means that students can utilize the location to pursue their interests.
